1848, upon the defeat of the Patriots, do better in future. Kozsta, with Kossuth and others, took refuge in Turkey. The extradition of these fugitives was demanded by Austria, and the demand resisted by the Turkish government. It was finally agreed by the two Governments, that they should leave Turkey and go into foreign parts. Kozsta came to the United States. and on the 13th of January 1852, at the city of New York, under oath, before a proper tribunal, declared his intention to become a citizen of the United States and to renounce all allegiance to every other State or Sovereignty.
